ABOUT US :

Kuantum Mechanical Engineering Education Project and Consulting LTD. ŞTİ. was established in Istanbul. Our company; operates in the fields of engineering, mechanical, electrical, construction, project, contracting and consultancy services.

OUR VISION :

In the globalizing world, integrating our company with social life, being a pioneering and exemplary organization in the sector and becoming a preferred company by being among the few companies in the international arena.

OUR MISSION :

To be in front of its competitors in the sector and national area with a different management approach by using our human resources in the best way, with the thought that the most important investment is human, continuously producing projects and not compromising on quality, making production in accordance with today's conditions, taking into account customer requests..

Our Services

- **Engineering Solutions**
- **Mechanical System Solutions**
- **Electrical System Solutions**
- **Construction Activities**
- **Project Design and Development**
- **Consulting and Solution Partnership**

Engineering Solutions

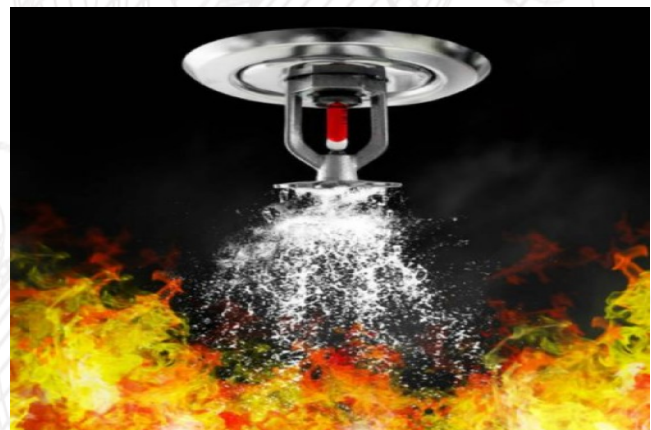

- Energy Management
- System Efficiency
- Cost Analysis
- Investment Cost
- Operating Cost
- Green Energy
- Trigeneneration
- Cogeneration

Mechanical System Solutions

- Heating Installation Applications
- Cooling Installation Applications
- Ventilation Installation Applications
- Plumbing Applications
- Air Conditioning Installation Applications
- Natural Gas Installation Applications
- Other Air Conditioning Installation Applications
- Special Process Installation Applications

Electrical System Solutions

- Force Current Systems
- Carrier Channels bus-bar Systems
- Grounding Systems
- Distribution and Force Panels
- Lighting Systems
- Automation Systems
- Telephone Systems
- Data Distribution Systems
- Fire Detection Systems
- Music Broadcasting Systems
- Satellite and Central TV Systems
- Closed Circuit TV Systems

Construction Activities

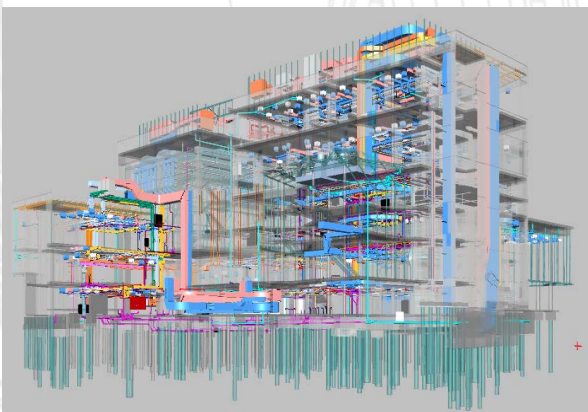

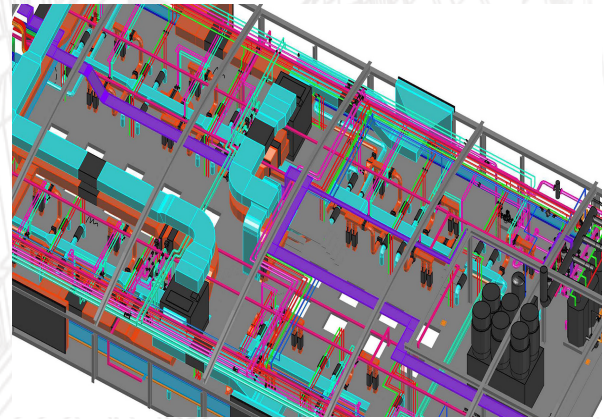

- Airport
- Railway and Metro
- Infrastructure Works
- Building Housing Works
- School
- Hospital
- Business Center
- Residence
- Factories
- Special Buildings

Project Design and Development

- Architectural Projects
- Static Projects
- Mechanical Projects
- Electrical Projects
- Interior Design Projects

Consulting and Solution Partnership

- Strategy Formulation
- Corporate Performance Management
- Organization Configuration
- Process Improvement
- Risk and Crisis Management
- Human Resources
- Analytical Thinking

Projects

Project Name : Çamsan Park AVM
Project Total Area : 40.000m²
Number of Housing :
Transaction Made : Electrical and Mechanical Design and Application
Total Cost : 11.500.000 TL

Projects

Project Name : Çamsan Rezidans
Project Total Area : 12.000m²
Number of Housing : 89 Units
Transaction Made : Electrical and Mechanical Installation
Total Cost : 2.950.000 TL

Projects

Project Name : Irak Erbil Karim Villa
Project Total Area : 2.500m²
Number of Housing :
Transaction Made : Mechanical Installation
Total Cost : 300.000 \$

Projects

Project Name : Kozyatağı Hilton Otel
Project Total Area :
Number of Housing :
Transaction Made : Mechanical Installation Repair
Total Cost : 750.000 TL

Projects

Project Name : Demirli Kardeşler İnşaat
Turkuaz Evler
Project Total Area : 17.000m²
Number of Housing : 120 Units
Transaction Made : Mechanical Installation
Total Cost : 1.950.000 TL

Projects

Project Name	: Demirli Konut Göztepe Karanfil
Project Total Area	: 10.000m ²
Number of Housing	: 64 Units
Transaction Made	: Mechanical Installation
Total Cost	: 800.000 TL

Projects

Project Name	: Demirli Kardeşler Erenköy Demirli Apartmanı
Project Total Area	: 6.000m ²
Number of Housing	: 54 Units
Transaction Made	: Mechanical Installation
Total Cost	: 650.000 TL

Projects

Project Name : Demirli Mesken Erenköy
Project Total Area : 5.000m²
Number of Housing : 34 Units
Transaction Made : Mechanical Installation
Total Cost : 750.000 TL

Projects

Project Name	: Demirli Konut Bostancı
Project Total Area	: 5.000m ²
Number of Housing	: 36 Units
Transaction Mad	: Mechanical Installation
Total Cost	: 550.000 TL

Projects

Project Name : Demirli Konut Sahrayıcredit
Project Total Area : 3.000m²
Number of Housing : 24 Units
Transaction Made : Mechanical Installation
Total Cost : 250.000 TL

Projects

Project Name : Demirli Mesken Göztepe Park
Project Total Area : 5.000m²
Number of Housing : 32 Units
Transaction Made : Mechanical Installation
Total Cost : 750.000 TL

Projects

Project Name : Gebze OSB EFA Kauçuk
Project Total Area : 5.000m²
Number of Housing :
Transaction Made : Ventilation Installation
Total Cost : 250.000 TL

Projects

Project Name : Bayrampaşa Halide Canayakın
Health Center and School
Project Total Area : 4.000m²
Number of Housing :
Transaction Made : Mechanical installation
Total Cost : 450.000 TL

Projects

Project Name : Akyapı İnşaat Çağlayan Gençlik Merkezi
Project Total Area : 2.500m²
Number of Housing :
Transaction Made : Mechanical installation
Total Cost : 250.000 TL

Projects

Project Name : Akyapı İnşaat Medeniyet
University Social Areas
Project Total Area : 1.000m²
Number of Housing :
Transaction Made : Mechanical Installation
Total Cost : 150.000 TL

Projects

Project Name : Dönerci Celal Usta
Workshop
Project Total Area : 1.500m²
Number of Housing :
Transaction Made : Mechanical Installation
Total Cost : 150.000 TL

Projects

Project Name : Rönesans İkitelli City
Hospital Kitchen Works
Project Total Area : 1.000m²
Number of Housing :
Transaction Made : Ventilation Installation
Total Cost : 150.000 TL

Projects

Project Name	: Şişli Özkök Otel
Project Total Area	: 5.000m ²
Number of Housing	:
Transaction Made	: Mechanical Design
Total Cost	: 10.000 \$

Projects

Project Name : Cezair Azazga Otel
Project Total Area : 6.000m²
Number of Housing :
Transaction Made : Mekanik Tasarım
Total Cost : 25.000 \$

Other Projects

- * Ankara Sincan Revenue Office ventilation works
- * Star AVM Yalova mechanical installation applications
- * Nevşehir Novada AVM mechanical installation applications
